To the Town Clerk of the town of Enfield.

We, the undersigned legal voters of Enfield, whose names are signed hereto and whose respective residences on the first day of April, 1912, were in the said town of Enfield, have reason to believe and do believe that the records made by the election officers of said town are erroneous in computation, that certain votes were cast for Edgar E. Sargent which were not counted;
and that a recount of the ballots cast in said Town at the annual State election held on November 5, 1912 will effect the election of Edgar E. Sargent a candidate at said election for representative to the Great and General Court from the Fourth Hampshire District.

Personally appeared Charles D. Haskell one of the signers of the within petition and made oath that the above statement subscribed by him was true, before me Edwin H. Howe
Justice of the Peace.

Enfield Mass. Nov. 8. 1912.

We, the undersigned registered voters of Enfield Mass., represent that we have reason to believe that the returns of the election officers of said Ward or Town, of the votes cast at the Election on November 5, 1912, for Treasurer, Auditor, and Attorney General, are erroneous in this respect.

That Elmer A. Stevens, John E. White and James M. Swift candidates respectively for Treasurer, Auditor and Attorney-General were credited with more, and Joseph L.P. St Coeur, James F. Carens and George W. Anderson candidates for the same office, with less votes than were actually cast for them

We believe a recount of the votes cast in our said Ward or Town will effect the election of one or more of these candidates at said election

We therefore ask that the votes cast for Elmer A. Stevens, John E. White, James M. Swift, Joseph L. P. St. Coeur, James F. Carens, and George W. Anderson, as afore said be recounted
